MARCH'S PRESENTATION

FAIRY LAMPS FROM AROUND THE WORLD

PRESENTED BY JOHN & CONNIE SCOTT

You will be looking at pictures of candle burning night lights from around the world. The name was patented in England in 1885 and became very popular for lighting rooms in houses before electricity. Many types of glass were used to make these lamps. Their popularity spread around the world. Some are still being made today.

MEMBER'S CORNER

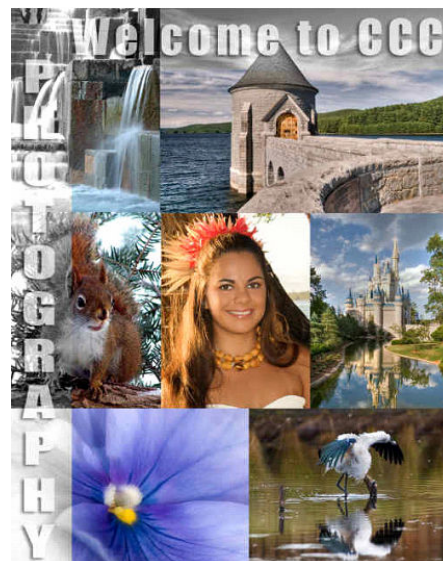

Please keep in your thoughts Mort Gunderson who is recouping at home due to illness. I'm sure he would appreciate any calls, cards or visits from our members.

Please also keep in your thoughts Richard Bauer. Richard will not be participating in any more of the club activities due to his wife, Arlyne's illness. Please keep them both in your thoughts and prayers.

Good news back at the Wootton homestead. Irma has finally gotten her full cast removed and replaced with a walking cast. She's surely on the road to recovery.
